List of Local Institutions for Public Postings

- Create and post flyers of your ministry events that can be attended not just by parishioners but also by the locals.
- During the event, assign members of your ministry to greet and welcome attendees, particularly non-parishioners. It is important to have face to face interactions between ministry members and event attendees.
- See the list below of local institutions who have public areas for posting community events:
 1. Finn's Tap Room – on their entryway board.
 2. Victor-Farmington Public Library – submit posting materials to the librarian.
 3. Mead Pharmacy – posting area is found near the pharmacy desk.
 4. Bill O'Brien's Barber Shop – submit posting to Bill.
 5. Top's Market in Farmington – on the board between the store and CNB.
 6. Town and Village Halls – submit posting materials to the clerk.
