

## **An open Letter to the Men of St. Patrick's Parish Community**

### **Men, God needs you to charge **Into the Breach****

The world is under attack by Satan and of late he has significantly breached the relationship between the Church and its members, the family structure, and humanity. 14 million people have left the Church, infant baptism is down 28%, religious education has dropped 24%, divorces have reached 42%, abortion continues unabated. In addition, addiction to pornography, alcohol, drugs and the increase in fatherlessness and troubled family life are Satan's way of fulfilling his plan for us.

We need Catholic men to step into these breaches... and if we don't do it, who will?

Like the Apostles, Catholic men are called to educate, evangelize and engage in spiritual combat to protect those we love against the onslaughts of the devil. We must lead the way.

How do we do this?

Join me in the Knights of Columbus video presentations that defines and examines the crisis in religious faith and how men can reverse and combat the destruction of Christ's Church.

The series of videos will be presented over a 4-day period of 1 1/2 -2hour sessions. A group of 8 men per series will be scheduled with time allowed for thoughtful discussion and personal spiritual planning on how we can enter the breach. The sessions will be held at the parish center during evening hours or Saturday depending on the desires of the group.

Please contact Bill Clifford no later than March 1, 2021 with your interest and availability so that the groups can be formed. Bill can be reached at 585-742-2358 or [billbarbclifford@aol.com](mailto:billbarbclifford@aol.com).

This is a series that will help you enter the breach and help you fulfill Christ's calling and enable you to take the lead in your family and community to attack Satan and the evil acts that he sponsors.
