Confirmation Covenant

The preparation for the Sacrament of Confirmation is a journey through which I will build on the faith that has been shared with me by my parents since Baptism and I will take the initiative to grow the same faith. This faith is rooted in Jesus Christ and is nurtured in His Church, the community of Christian disciples. This faith is attentive to prayer and sacramental life, community life, catechesis and evangelization, service, and stewardship. To be Confirmed is to be an intentional witness of Jesus Christ in the world.

As a Confirmation candidate, I will

- approach my Confirmation preparation with faith in God and an open heart,
- actively nurture a life of prayer – individually and in community, particularly the celebration of the Sunday Mass and Holy Days,
- participate in the celebration of the Sacrament of Reconciliation at least once a year,
- attend at least two retreats during my time of preparation,
- participate in scheduled sessions with my parent and/or mentor,
- using my gifts, humbly serve others by completing nine hours of service, serving my family, parish, and local community,
- and complete assignments.

I understand that my parents, catechists, and the parish as a whole promise to answer questions, pray for me as I prepare for this sacrament, and that I remain an example of faithful disciple to others.
